Name: LEV Tender 2  
Base port: Bremerhaven  
Type: Zodiac MK-6 HD Heavy Duty  
Max. number of persons: 20  
Max. payload: 4100 kg incl. Motor

### Dimensions:

Overall length: 7.00 m  
Inside length: 5.10 m  
Overall width: 2.88 m  
Inside width: 1.40 m  
Weight empty: 320 kg  
Buoyancy tube diameter: 0.74 m  
Floorboard usable area: 6.688 m<sup>2</sup>

### Make:

Building year: 2008  
Builder: ZODIAC Milpro International, France  
Max. number of persons: 20  
Max. payload: 4100 kg

### Fabric:

Main buoyancy tube: black, 1670 dtx, polyester, CSM/neoprene  
Keel buoyancy tube: black, 940 dtx, polyamide, CSM/neoprene  
FUTURA™ tubes: black, 1880 dtx, polyamide, CSM/neoprene  
Bottom: black, 1880 dtx, polyamide, CSM/neoprene

### Safety / Inflation:

Airtight compartments on main tube: 7  
Inflatable keel: 1  
FUTURA™ tubes: 2  
Design category (EC 94/25): C

### Valves:

Intercommunication/inflation valves on main tube: 6  
Keel inflation valve: 1  
Inflation valves on hoses to the FUTURA™ tubes: 2

### Floor:

Anti-skid floorboard (anodized aluminum): 5  
Bow floorboard (marine plywood): 2  
Stringers (aluminum profile): 4  
Fixed bow thrustboard (marine plywood): 1

### Transom:

Self bailers: 4  
Aluminum engine mounting plate: 1  
Transom sacrificial plate (marine plywood): 1

### Engine:

Make: Yamaha F60FETL SN 6C5-1063065  
Type: 4-stroke  
Power: 60 HP / 44.1 kW  
Engine size: 996 ccm  
Propeller: 11 5/8 x 11" (with steel cage)  
Cylinders: 4/in-line, SOHC  
Weight: 114 kg incl. propeller  
Starter: Electronic  
Tank: separate, 25 l, regular gas

### Towing and Lifting:

Bow large towing D-rings on tube (stainless steel with black coating): 2  
Aft towing rings (stainless steel U-bolts on transom): 2  
Lateral large lifting D-rings (stainless steel with black coating): 2  
Bow lifting rings (stainless steel folding padeyes on thrustboard): 2  
Aft lifting rings (stainless steel U-bolts on transom): 2

Lifting test carried out with special lifting gear and payload of 1200 kg. Witnessed by Lloyds Register.

### Trailer:

Make: Harbeck  
Type: B08-35V, 1-axle  
Built: 2014  
payload: 1.420 kg  
max. perm. weight: 1.800 kg

### Equipment:

Radar reflector: EchoMax 180  
Nav. lights: Toplight and 3-colour light  
Communication: handheld VHF transceiver  
Navigation: handheld GPS  
Rescue: EPIRB PLB AU9-WF
